

Architectural drawing showing a large-scale site plan for a residential development. The plan includes numerous blocks (BLOK 1.1 to BLOK 5.6) and individual plots (PLOTY). Key features include:

- Top Section:** A series of tables providing detailed data for various plots, including coordinates, dimensions, and area calculations. These tables are organized into columns labeled with plot numbers and specific data points.
- Central Section:** A large-scale site plan showing the layout of the development. It includes a grid system with coordinates (e.g., 47.42-V3, 47.42-V3, 47.42-V3) and a scale bar indicating distances in meters (e.g., 0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, 0.8, 0.9, 1.0).
- Bottom Section:** A detailed cross-section or elevation drawing showing the profile of the development. It includes a scale bar indicating distances in meters (e.g., 0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, 0.8, 0.9, 1.0).
- Right Side:** A vertical strip containing technical specifications and notes, including a scale bar indicating distances in meters (e.g., 0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, 0.8, 0.9, 1.0).
