

PRÍLOHA Č. 5:

Základný a predpokladaný sortiment rastlinného materiálu

Sortiment je rozdelený do troch kategórií podľa predpokladaného ročného množstva vysádzaných kusov:

- A – základný sortiment – najčastejšie vysádzané druhy,
- B – doplnkový sortiment,
- C – špeciálny sortiment – príležitostne vysádzané druhy

JEDNOROČNÉ RASTLINY (letničky) a DVOJROČNÉ RASTLINY

***Ageratum houstonianum* (A)**

Althaea spp. (C)

Amaranthus caudatus (C)

***Anthemis* spp. (A)**

Antirrhinum majus (B)

Begonia rex-gruppen (C)

***Begonia semperflorens* (A)**

***Bellis perennis* (A)**

***Bellis* spp. (A)**

***Bidens ferulifolia* (A)**

***Bidens* spp. (A)**

***Brassica oleracea* – okrasné druhy (A)**

***Calibrachoa* (Million Bells) (A)**

Calendula spp. (B)

Celosia cristata (B)

Celosia plumosa (B)

***Chlorophytum* spp. (A)**

Chrysanthemum frutescens (B)

Cleome hassleriana (C)

***Coleus blumei* (A)**

***Convolvulus sabatius* (A)**

***Cosmos bipinnatus* (A)**

Diascia barberae (B)

Dianthus barbatus (B)

***Dichondra mircantha* (A)**

Digitalis purpurea (B)

Ensete spp. (C)

Ensete ventricosum (B)

***Euphorbia* spp. (A)**

Fragaria spp. (B)

Gaillardia pulchella (B)

***Gazania rigens* (A)**

***Gypsophila* spp. (A)**

***Helichrysum petiolare* (A)**

***Heliotropium* spp. (A)**

***Iberis umbellata* (A)**

***Impatiens hawkeri* (A)**

***Impatiens walleriana* (A)**

***Ipomoea batatas* (A)**

***Lantana camara* 'Tropic Ara' (A)**

Lobelia cardinalis (B)

***Lobelia erinus* (A)**

***Lobularia maritima* (A)**

Lotus berthelotii (C)

Lysimachia congestiflora (B)

Lysimachia ephemerum (B)

***Myosotis* spp. (A)**

Nemesia strumosa (B)

***Nemesia* × *hybrida* (A)**

Nicotiana alata (B)

Nicotiana × *sanderæ* (B)

***Osteospermum ecklonis* (A)**

***Pelargonium* spp. (A)**

Pentas lanceolata (C)

***Petunia* × *hybrida* (A)**

***Plectranthus coleoides* (A)**

***Rudbeckia hirta* (A)**

Salpiglossis sinuata (B)

***Salvia* 'Wendy's Wish' (A)**

***Salvia splendens* (A)**

***Sanvitalia procumbens* (A)**

Scabiosa atropurpurea (C)
Scabiosa spp. (C)
Schizanthus wisetonensis (C)
Scaevola aemula (B)
Senecio cineraria (B)
***Surfinia* spp. (A)**
Sutera cordata (B)

***Tagetes erecta* (A)**
***Tagetes patula* (A)**
Thunbergia spp. (C)
Torenia fournieri (C)

Tropaeolum majus (B)

Verbascum phoeniceum (B)
Verbena bonariensis (B)
***Verbena* *pac* (A)**
***Verbena* × *hybrida* (A)**
***Viola* spp. (A)**
***Viola* × *wittrockiana* (A)**

***Zinnia elegans* (A)**
***Zinnia* spp. (A)**

OKRASNÉ TRÁVY

***Bouteloua gracilis* (A)**

***Bouteloua* spp. (A)**

***Calamagrostis* spp. (A)**

***Carex* spp. (A)**

Cortaderia selloana (C)

***Deschampsia cespitosa* (A)**

Deschampsia 'Goldtau' (B)

***Eragrostis* spp. (A)**

Festuca gautieri (C)

***Festuca glauca* (A)**

***Festuca mairei* (A)**

***Festuca* spp. (A)**

Hakonechloa macra (B)

***Helictotrichon* spp. (A)**

***Koeleria glauca* (A)**

***Luzula* spp. (A)**

Miscanthus floridulus (B)

Molinia caerulea (B)

Muhlenbergia capillaris (B)

***Panicum virgatum* (A)**

Panicum 'Northwind' (B)

Panicum 'Shenandoah' (B)

***Pennisetum alopecuroides* (A)**

***Pennisetum* 'Fireworks' (A)**

***Pennisetum* spp. (A)**

***Sesleria autumnalis* (A)**

***Sesleria heufleriana* (A)**

***Sesleria nitida* (A)**

Sporobolus heterolepis (B)

***Stipa barbata* (A)**

***Stipa elegantissima* (A)**

Stipa gigantea (C)

***Stipa tenacissima* (A)**

***Stipa tenuissima* 'Pony Tails' (A)**

***Stipa tirsia* (A)**

CIBULE a HLÚZY RASTLÍN

Allium spp. (A)

Anemone nemorosa (B)

Anemone ranunculoides (B)

Camassia spp. (C)

Canna indica (C)

Canna spp. (C)

Colchicum autumnale (C)

Crocasmia spp. (B)

Crocus spp. (A)

Cyclamen spp. (C)

Dahlia spp. – nízke druhy (B)

Dahlia spp. – vysoké druhy (C)

Eremurus robustus (B)

Fritillaria imperialis (B)

Fritillaria spp. (B)

Galanthus nivalis (C)

Gladiolus spp. (C)

Hyacinthoides spp. (B)

Hyacinthus orientalis (B)

Iris spp. (B)

Leucojum spp. (C)

Lilium spp. (B)

Muscari spp. (A)

Narcissus spp. (A)

Puschkinia spp. (B)

Scilla spp. (B)

Tulipa spp. (A)

Objednávateľ požaduje dodanie jednotlivých druhov cibúl alebo pripravených zmesí podľa katalógov renomovaných dodávateľov cibuľovín.

TRVALKY

***Achillea filipendulina* (A)**

***Achillea millefolium* (A)**

***Achillea ptarmica* (A)**

***Agastache* spp. (A)**

Ajuga reptans (B)

***Alchemilla* spp. (A)**

Amsonia hubrichtii (B)

***Amsonia* spp. (A)**

***Anaphalis triplinervis* (A)**

***Anemone* spp. (A)**

***Anthemis* spp. (A)**

***Artemisia schmidtiana* (A)**

Aruncus dioicus (B)

Asclepias tuberosa (C)

***Aster* spp. (A)**

Astrantia spp. (C)

Baptisia australis (B)

***Bergenia* × *hybrida* (A)**

***Bergenia cordifolia* (A)**

Boltonia asteroides (B)

***Boraginaceae* spp. (A)**

***Brunnera* spp. (A)**

***Buglosoides purpureo-coeruleum* (A)**

Buglosoides spp. (B)

***Calamintha* spp. (A)**

***Campanula* spp. (A)**

***Canna indica* (A)**

***Canna* spp. (A)**

***Centranthus ruber* (A)**

***Cerastium* spp. (A)**

Cerastium tomentosum (B)

Coreopsis grandiflora (B)

Coreopsis verticillata (B)

Delphinium spp. (B)

***Dianthus carthusianorum* (A)**

Dicentra spectabilis (B)

Doronicum spp. (B)

Dryopteris filix-mas (C)

***Echinacea purpurea* (A)**

***Echinacea* spp. (A)**

***Echinops bannaticus* (A)**

***Echinops ritro* (A)**

Epimedium spp. (B)

Epimedium versicolor (B)

Erysimum 'Bowles Mauve' (B)

***Eupatorium* spp. (A)**

***Euphorbia polychroma* (A)**

***Euphorbia* spp. (A)**

Filipendula spp. (B)

***Gaura lindheimeri* (A)**

***Gaura* spp. (A)**

***Geranium* spp. (A)**

Geum spp. (B)

***Helenium* × *hybridum* (A)**

Helenium spp. (B)

***Hemerocallis* spp. (A)**

Helleborus spp. (C)

Heuchera spp. (B)

***Hosta* spp. (A)**

***Kalimeris* spp. (A)**

***Kniphofia* spp. (A)**

Lamium spp. (B)

***Lavandula angustifolia* (A)**

***Leucanthemum* spp. (A)**

Liatris spicata (B)

Liatris spp. (C)

Ligularia spp. (B)

Limonium spp. (B)

Linum perenne (B)

***Lychnis* spp. (A)**

***Lysimachia* spp. (A)**

***Lythrum* spp. (A)**

Monarda spp. (B)

***Nepeta* spp. (A)**

***Oenothera* spp. (A)**

Origanum 'Rosenkuppel' (B)

***Origanum* spp. (A)**

Pachysandra spp. (B)

Paeonia spp. (C)

Papaver spp. (C)

Penstemon spp. (C)

***Perovskia* 'Jelena' (A)**

***Perovskia* spp. (A)**

Persicaria spp. (B)

***Phlomis russeliana* (A)**

***Phlomis tuberosa* (A)**

Phlox spp. (C)

***Phuopsis* spp. (A)**
***Phuopsis stylosa* (A)**
Physostegia virginiana (C)

Rodgersia spp. (B)
***Rosmarinus* spp. (A)**
***Rudbeckia fulgida* (A)**
***Rudbeckia* spp. (A)**

***Salvia* spp. (A)**
***Sanguisorba* spp. (A)**
Santolina spp. (B)
***Sedum spectabile* (A)**
***Sedum spurium* (A)**
***Sedum* spp. (A)**

***Sedum telephium* spp. (A)**
***Sedum telephium* ‘Herbstfreude’ (A)**
Solidago flexicaulis (C)
***Stachys* spp. (A)**
Symphytum spp. (B)

***Thymus* spp. (A)**
Trachystemon spp. (B)

***Verbena bonariensis* ‘Lolipop’ (A)**
***Veronica* spp. (A)**
Veronicastrum spp. (C)

Yucca filamentosa (B)

STROMY

Acer campestre 'Elegant' (B)
Acer campestre 'Elsrijk' (B)
Acer campestre 'Green Column' (B)
***Acer davidii* (A)**
***Acer ginnala* (A)**
***Acer rubrum* 'October Glory' (A)**
***Acer tataricum* (A)**
***Albizia julibrissin* (A)**
***Amelanchier arborea* 'Robin Hill' (A)**
***Amelanchier lamarckii* (A)**

Betula papyrifera (B)
***Betula utilis* var. *jacquemontii* (A)**

***Carpinus betulus* 'Frans Fontaine' (A)**
Carpinus betulus 'Lucas' (B)
***Cercidiphyllum japonicum* (A)**
***Cercis* spp. (A)**
Cedrus spp. (C)
Cotinus spp. (C)
***Cornus* spp. – na kmeni (A)**
***Corylus* spp. (A)**
***Crataegus* spp. (A)**

Davidia involucrata (C)

***Fraxinus ornus* – v kultivaroch (A)**

Ginkgo biloba – v kultivaroch (B)
***Gleditsia triacanthos* (A)**

***Halesia carolina* (A)**
***Hibiscus syriacus* (A)**

Ilex aquifolium (C)

***Koelreuteria paniculata* –
v kultivaroch (A)**

Laburnum anagyroides – na kmeni (C)
Liquidambar styraciflua –
v kultivaroch (C)

***Magnolia* spp. (A)**
***Malus* spp. – v kultivaroch (A)**

Ostrya carpinifolia (B)

Parrotia persica (B)
***Photinia* spp. – na kmeni (A)**
***Prunus* spp. – v kultivaroch (A)**

Robinia hispida 'Rosea' (B)

Stewartia pseudocamellia (C)
Styrax japonicus (C)

Tamarix spp. (C)
Tetradium daniellii (C)

Ulmus × *hollandica* – v kultivaroch (B)

KRÍKY

Azalea spp. (C)

***Buddleia davidii* – nízke kultivary (A)**

Callicarpa – v kultivaroch (B)

***Calluna* spp. (A)**

***Caryopteris* spp. (A)**

Chaenomeles japonica (B)

Cornus spp. (B)

Cotoneaster spp. (B)

Cytisus spp. (C)

Deutzia scabra – nízke kultivary (B)

***Erica* spp. (A)**

Euonymus alatus 'Compactus' (B)

Euonymus europaeus (B)

Euonymus fortunei (B)

Euonymus japonicus (B)

Gaultheria spp. (B)

Genista lydia (B)

***Hamamelis* × *intermedia* (A)**

Hebe spp. (B)

***Hibiscus syriacus* (A)**

Hydrangea arborescens (B)

Hydrangea macrophylla (B)

Hydrangea paniculata (B)

Hydrangea petiolaris (B)

Hypericum calycinum (B)

Hypericum patulum (B)

Ilex spp. – v kultivaroch (C)

Juniperus spp. (C)

Laburnum anagyroides (C)

Ligustrum vulgare (B)

Lonicera nitida (B)

Lonicera pileata (B)

Nandina domestica 'Leukote' (B)

Nandina domestica – v kultivaroch (B)

***Photinia* 'Red Robin' (A)**

Philadelphus coronarius (B)

Pieris spp. (C)

Potentilla fruticosa (B)

Prunus laurocerasus (C)

Rhododendron spp. (C)

***Rosa* - čajohybridy (A)**

***Rosa* - polyandry (A)**

***Rosa* - pôdopokryvné (A)**

***Rosa nitida* (A)**

***Rosa rugosa* (A)**

***Rosa* 'Schneekusschen' (A)**

***Rosa* spp. (A)**

***Skimmia japonica* (A)**

***Spiraea bumalda* (A)**

***Spiraea japonica* (A)**

***Spiraea* × *vanhouttei* (A)**

***Spiraea* spp. (A)**

Symphoricarpos spp. (B)

Viburnum spp. (B)

***Vinca major* 'Variegata' (A)**

***Vinca minor* (A)**

POPÍNAVÉ/OVÍJAVÉ DREVINY

Clematis spp. (B)

Hedera helix (C)

Hedera hibernica (C)

Lonicera periclymenum (B)

Lonicera × heckrottii (B)

Parthenocissus quinquefolia (B)

Parthenocissus tricuspidata (A)
