Sterillium
Yeasticidal efficacy

Expertise

After examination of the yeasticidal efficacy in the quantitative suspension under clean conditions, test according to prEN 13624 (Status January 2010) test report B 16467f from 2013-10-18 (test product VP 83), the efficacy (4.0 lg reduction) on the reference germ *Candida albicans* ATCC 10231 can be confirmed.

These test results demonstrate that the efficacy is included within the application time of 15 seconds.
