

Technical drawing of a mechanical part, likely a cross-section of a shaft or a similar component. The drawing shows a central shaft with a diameter of 500mm, indicated by a dimension line and the number 500. The shaft is surrounded by a housing or support structure, which is shown in cross-section with diagonal hatching. The drawing includes various geometric features such as a central hole, a flange, and a shoulder. The overall design is symmetrical about a vertical centerline.
