

POZDÍŽNÝ REZ M 1:250

A diagram showing a circle centered at the origin (0, 0) of a coordinate system. The radius of the circle is labeled as 500 m. A point P is marked on the positive x-axis at coordinates (154.65, 0). The angle between the positive x-axis and the radius to point P is labeled as 0.64381.
