

Invitation to Submit Offers

(market survey for the establishment/determination of the estimated contract value, hereinafter referred to as "ECV")

In connection with the project „Increasing the competitiveness of an agricultural enterprise and strengthening environmental protection through automation, renewable energy sources, and new technologies.“

we hereby invite you to participate in a market survey of potential suppliers.

The project is co-financed under Call No. 7/SP/2026-73.4 for the submission of applications for support from the Strategic Plan of the Common Agricultural Policy 2023–2027 for Rural Development Project Intervention 73.4.

73.04 Productive investments in agricultural enterprises

The market survey will be carried out for the purpose of determining the estimated contract value.

The estimated contract value will be determined as the arithmetic mean of the identified prices. The estimated contract value is determined as the price excluding VAT.
