

in order to be able to communicate through system Josephine you have to register and login.

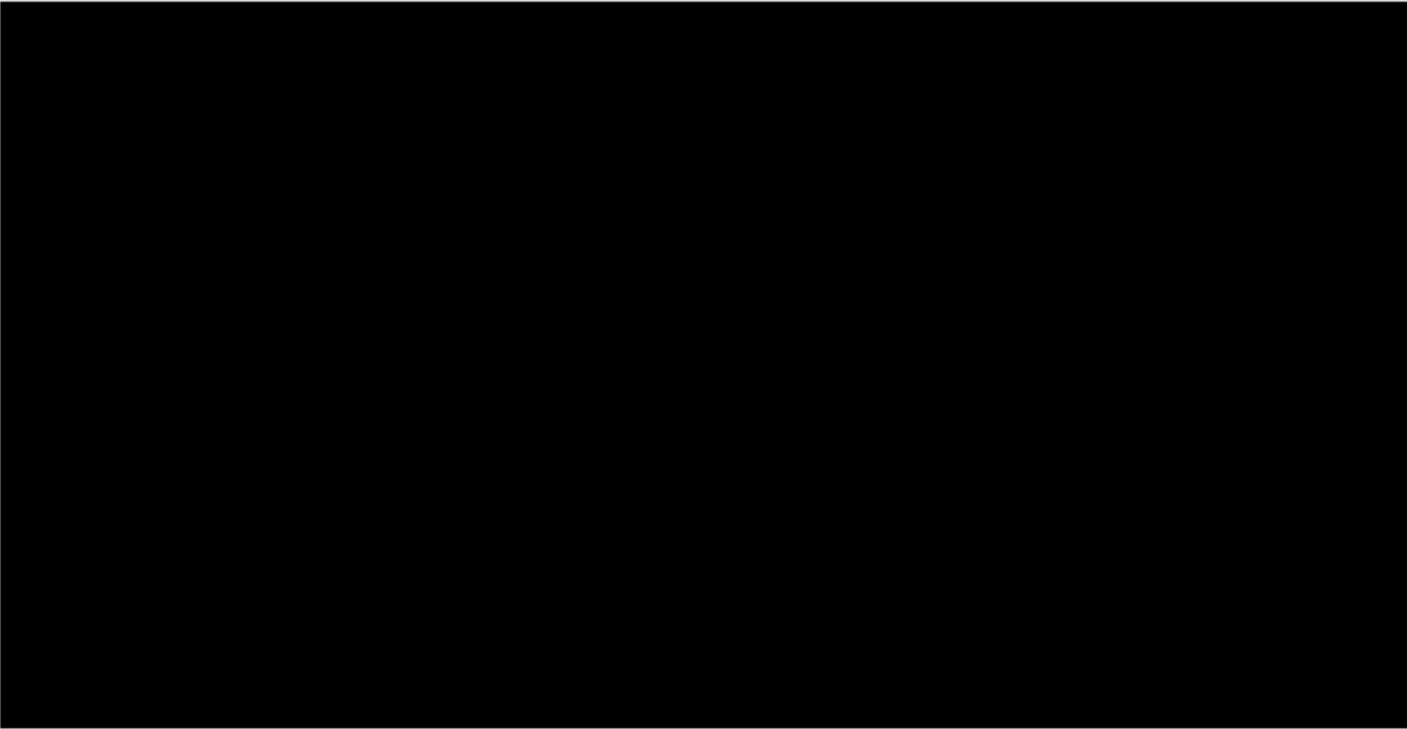

All necessary instructions and information regarding the tender are available in procurement documents (súťažné podklady).

Their full text is available only in Slovak language. As stated in Contract notice:

IV.2.4) Languages in which tenders or requests to participate may be submitted:
Slovak

We would like you to continue participating in the tender and therefore we recommend considering using an official translator. We recommend this due to the fact that the tender documents state the conditions of participation, communication and also the contractual conditions.

In order for you to have enough time, we are extending the deadline for submitting bids.

thank you for your answer.

We followed the link you mentioned and also found the button you mentioned but it is not able to click on it to drop a new message. We tried it at different computers and browsers.

Could you clarify if the button "Message" can be switched to "active" so we can officially drop the message.

Thank you!

any communication regarding an ongoing tender is required by law to be maintained through the link I sent you earlier regarding the tender.

<https://josephine.proebiz.com/en/tender/15163/summary>

Therefore I can not answer your questions by email and I kindly ask you to submit any questions regarding the tender via the link where you will find „Bookmark“ named „Messages“.

Kind regards

[REDACTED] who is in the process to answer your tender.

After revising the tender documents we have some additional questions:

- Is there a maximum number of embryos you accept per:
 - Donor
 - Per sire
 - Per mating sire x dam
- Are haplotypes of bull and donor used allowed (HH1-HH6, CDH, RDC, BY etc....)
- Are red carriers acceptable?
- Is there any minimum of production figures of donor (we would mostly use virgin heifers) or their dams defined?
- Are both sources of embryos qualifying: MOET (Flushing) and OPU/IVF?

Looking forward to a good collaboration!

Best
