

Technical drawing of a building section showing floor levels and structural elements. The drawing includes a ground line at the bottom, indicated by a hatched area. Key levels and features are labeled as follows:

- Left side:**
 - Top level: +2,575
 - Intermediate level: +2,415
 - Ground level: $\pm 0,000$
- Central structure:**
 - Top level: +2,850
 - Intermediate level: +1,980
 - Ground level: $\pm 0,000$
- Right side:**
 - Top level: +2,830
 - Ground level: $\pm 0,000$
- Structural Elements:**
 - A:** A vertical structural element (column) on the left side of the central structure.
 - C:** A rectangular opening (door or window) in the central structure.
 - D:** A circular structural element (column) on the right side of the central structure.

Technical drawing of a building section showing floor levels and structural elements. The drawing includes a ground line at $\pm 0,000$. Key levels and dimensions are indicated:

- Left side levels: $+2,860$ (top), $+2,660$ (middle), and $\pm 0,000$ (ground).
- Right side levels: $+2,830$ (top) and $\pm 0,000$ (ground).
- Internal levels and dimensions: $+1,980$ (top left), $+2,200$ (top right), $+1,000$ (bottom right), and $\pm 0,000$ (ground).
- Structural elements: A central vertical wall, a horizontal beam at $+1,980$, and a rectangular structure labeled 'B' at $+1,000$.
- Annotations: Circled letters 'A' and 'D' are used to label specific parts of the structure.

This architectural section drawing illustrates a building facade with multiple levels and components. The drawing includes the following elements:

- Levels and Elevation Markers:**
 - Top left: +2,575 and +2,415
 - Top center: +2,850 and +1,950
 - Top right: +2,850, +2,200, +2,660, and +2,510
 - Bottom left: ±0,000
 - Bottom center: +0,950 and ±0,000
 - Bottom right: ±0,000
- Components and Labels:**
 - A:** Points to vertical structural elements or walls.
 - B:** Points to rectangular openings or windows.
 - C:** Points to a vertical rectangular opening or door.
 - D:** Points to horizontal structural elements or rooflines.
 - E:** A circled label at the top right corner.
- Other Features:**
 - A horizontal line with a slope is shown on the right side, with a level marker of +2,200.
 - A vertical line with a slope is shown on the right side, with a level marker of +1,000.
