

Technical drawing of a mechanical assembly, likely a pump or motor, showing a side view and a top view. The side view shows a horizontal shaft with a central bearing support and two angled arms. The top view shows the shaft's profile with various dimensions. Key dimensions include a total length of 2,409 mm, a central bearing support of 31 mm, and a total width of 4,088 mm. The drawing is labeled with 'A' and 'B' at the ends of the shaft.
