CRITERION "KV" <sup>1</sup>**

BASIC INFORMATION	
Title of the contract:	<b>Engineering and construction &amp; technological supervision of modernisation and greening of WtEP</b>
Tenderer	<i>Identification of the tenderer</i>
Present Principal Project Engineer (hereafter referred to as "PPE")	<i>Name and surname</i>
Interview venue:	
Time of interview:	

**Individual qualities and skills of the Project's Principal Engineer**

Key individual/personal qualities and abilities of the HIP that contribute substantially and reasonably to the *successful execution of the subject contract and the achievement of the pursued objective of comprehensive modernisation of the WtEP* are defined below.

The committee (as a whole, not the committee members individually) will award **each attribute or capability listed below** with:

- **10 points** if the Project's Principal Engineer **confirms/demonstrates (by his/her conduct and answers)** during the interview that he/she possesses the attribute or capability,
- **5 points** if the Project's Principal Engineer **confirms/demonstrates (by his/her conduct and answers)** during the interview that he/she rather possesses the attribute or capability,
- **3 points** if the Project's Principal Engineer **confirms/demonstrates (by his/her conduct and answers)** during the interview that he/she rather does not possess the attribute or capability,
- **0 points** if the Project's Principal Engineer **confirms/demonstrates (by his/her conduct and answers)** during the interview that he/she does not possess the attribute or capability.

The final number of points for this sub-criterion awarded to the tenderer shall be equal to the arithmetic mean (rounded to 2 decimal places) of the number of points awarded for each attribute and capability of the Project's Principal Engineer.

<b>Individual attribute or capability</b> Principal Project Engineer	<b>Definitely possesses - 10 points</b> <b>Rather possesses - 5 points</b> <b>Rather does not possess - 3 points</b>	<b>Evaluation notes</b>
---	--	-------------------------

<sup>1</sup> The checklist is annexed to the Tender Dossier for the purpose of familiarising the tenderers with the evaluation procedure of the given sub-criterion. The checklist shall not be completed by the tenderer and shall not be part of the tender.

	<b>Definitely does not possess - 0 points</b> The committee shall indicate the question number for which the Project's Principal Engineer has clearly/substantially demonstrated (by his/her conduct and responses) that he/she does or does not possess the capability.	
1. the speech is clear		
2. the speech is concise, does not go into detail, renders essential information
