

Technical drawing of a control panel (Panel 1) showing dimensions and layout. The panel is rectangular with a width of 1000 mm and a height of 2100 mm. It features a control area (STEROWANIE) at the top, a central display area, and a power unit area (AGREGAT) at the bottom. The control area contains a lightning bolt symbol. The power unit area contains a rectangular symbol. The drawing also shows a detail view of the control area, which is 650 mm high and 1000 mm wide, containing a lightning bolt symbol and the word STEROWANIE. The detail view is shown with dashed lines indicating its position on the main panel.
