

This architectural section drawing illustrates a vertical cut through a building facade. On the left, a door is shown with a height of 2870 and a width of 1500. To its right is a window with a height of 1500 and a width of 600. The drawing details various construction layers and materials, labeled with numbers and codes:

- 01**: Points to the exterior wall structure.
- 02**: Points to the door frame.
- 03**: Points to the window frame.
- 06**: Points to the insulation layer.
- 1**: A circular symbol indicating a specific material or layer.
- ZD**: Points to the floor structure.

Dimensions are provided for various components:

- Door height: 2870
- Door width: 1500
- Window height: 1500
- Window width: 600
- Insulation thickness: 150
- Wall thickness: 250
- Roof thickness: 440
- Roof insulation thickness: 690
