

The profile shows the road surface elevation (red line) and the proposed grade (green line). The elevation data points are as follows:

Stationing	Elevation (m)
1+120.00	89.51
1+125.00	89.37
1+130.00	89.42
1+135.00	89.68

The slope percentages are indicated by the red line segments: -5.0% and -6.0%.
