## FACTORY SHOW

We own and operate our manufacturing facilities, ensuring stable quality and reliable performance. Below is an overview of our production capabilities.

### In-house Production Workshop

Our factory covers an area of over 38,00 square meters. Equipped with production workshops, testing workshops, warehouses, and R&D centers.

### Precision Machining & Welding

We ensure high-quality CNC mitngs, through advanced CNC machining, laser cutting, and skilled welding processes.

### Skilled Assembly & Quality Control

Experienced engineers and workers assemble and inspect machines to ensure reliable performance and strict quality standards.

### Quality Inspection & Testing

Each machine undergoes strict inspection and testing before delivery.

### Customized Solution

We offer OEM and customized solutions tailored to meet specific requirements.

- ✓ Direct Factory Manufacturer
- ✓ Strict Quality Control System
- ✓ Experienced Engineering Team
- ✓ OEM & Customized Solutions

## Company Profile

**FENGXIANG**  
 FOOD MACHINERY

- ▶ With **20+** years' professional experience
- ▶ Selling well in **80+** countries
- ▶ Serving **3000+** enterprises

1. We are always devoting our time and energy to the industry of food processing machinery, and to research, development and deep work and innovate in the field of fruit and vegetable machinery, hoping that our service can meet customers' satisfaction, and our products can truly create value for our customers.
2. We adhere to the value of "customer-centricity". From the user's perspective, to design various practical solutions to make food processing easier and better, so that the processed food is safe, hygienic, tasty and nutritious.
3. Today, Fengxiang machinery, just like the founder's original intention, has flown to the world and continued to fulfill the dreams of many customers.
4. In the future, we are committed to becoming a "world-class service provider with our fruit and vegetable solutions".

Customized

## Transforming Ideas Into Reality

By offering flexible custom services, we ensure that each machine precisely meets the individual needs of our customers, significantly improving production efficiency. Furthermore, we provide comprehensive after-sales service and ongoing technical support to ensure the long-term efficient operation of the machines. Truly transforming every investment into an enhancement of productivity.

### FAQ

## FREQUENTLY ASKED QUESTIONS

**Q HOW LONG CAN I GET THE FEEDBACK AFTER WE SENT AN INQUIRY?**

We will reply you within 8 hours in working day.

**Q ARE YOU A DIRECT MANUFACTURER OR A TRADING COMPANY?**

We are a factory, we also have our own international trade department.

**Q WHAT PRODUCTS CAN YOU OFFER?**

We mainly produce equipment for vegetable, fruits, meat, fish, etc.

**Q WHAT APPLICATIONS DO YOUR PRODUCTS RELATE TO?**

Our products involve many industries, such as food factory, food shops, supermarket, restaurant and university dining hall.

**Q CAN YOU DO CUSTOMIZED PRODUCTS?**

Yes, we are mainly doing customized products according to the customers' requirements.

**Q HOW TO GUARANTEE THE QUALITY OF YOUR GOODS?**

Firstly, we will do the inspection after every process. For the finished machines, we will do 100% inspection according to the customers' requirements and the international standard.

**Q WHAT'S THE PAYMENT TERM?**

When we quote for you, we will confirm with you the way of transaction, FOB, CIF, CNF, etc. For mass production machines, you need to pay 30% deposit before producing and 70% balance before shipment. The most common way is by T/T, L/C is also acceptable.
