# QUOTE

No. 1/21.04.2026

To: Michal Kovačik

Chynorany, Slovak Republic

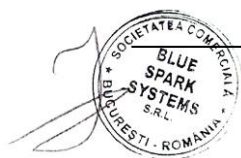

## *Fruit and vegetable dehydrator*

Following is our quote for the requested product(s):

No.	Product	Quantity [pcs/m/set]	Unit Price [EURO]	Total Price [EURO]
1	FD-1x2-SF, 100 kg dehydrator for fruits, vegetables and plants 23.04 m <sup>2</sup> drying area, exterior dimensions: 1.06 x 4.90 x 2.12 [m], heating power 24kw*, please consult the product's data sheet for more technical details.	1	41.809	41.809

**TOTAL: 41.809 EURO + TVA**

- The price is without VAT.
- The assembly is done onsite at the client's expense (the assembly is included in the price but not the transportation and accommodation for the personnel – 3 persons). The client can also do the assembly but some specific industrial tools are needed for assembly (pneumatic nut press, pneumatic rivet press etc.). The assembly can take between 5 and 7 days.
- The hot water generator is not included, nor the pipelines up to the machine. Those are the client's responsibility.

Model FD-1x2-SF

- 3-year warranty for the whole system, 10-year warranty for software bugs, 1-year warranty for consumables.
- Deliverable in 10 weeks from first advance payment.
- Payment methods: 50% advance payment, 5 days before loading for delivery another 40%, the rest of 10% payable at maximum 30 day after installation.
- Quote valid for: **180 days**.
